09

The SKLO mug is made of high-quality borosilicate glass resistant to heat. A cork strap makes it easy to hold, prevents burns and slipping off from hand. It is also a decoration. The cover with the drinking opening is made of silicone. The mug is a great replacement for plastic or paper beakers. Let's advocate eco-consciousness!

Country of origin:	China
Air Transport Possibility:	Yes
Capacity (ml):	380 ml
Warranty in months:	12
Pantone Color of the Product:	445C
