

LUMA

Bike light FARO

Code: **29172-02**

Price: **€10.68** Net

The FARO bicycle lamp is a great gadget for cyclists. It is equipped with COB LED diodes and a built-in battery with a capacity of 500 mAh. It has five operating modes: red and white steady light, two modes of red flashing light and red and white light flashing alternately. Thanks to this, it can be used both as a front lamp and a rear lamp. The set includes a micro USB cable for charging. It has a comfortable silicone handle.
